

The Megaman online site is designed to be simple and easy to use.

This guide is to help get you familiar with the functionality that's available but please feel free to contact us or your Megaman agent if you need any help.

Logging on

The site address is **online.megamanuk.com** Depending on which browser you use though, you may have to type: **http://online.megamanuk.com**

You will be issued with a user name and password. The first time you log on, you'll be asked to change the password and also to enter an email address. We need the email address so that we can send you order confirmations when you place orders.

Features

- Browse our online catalogue.
- Check stock, pricing and availability.
- Place orders.
- Track existing orders.
- Have access to special **online only** offers and deals.

Technical requirements

The site is optimised for Internet Explorer 8.

Your browser must have Javascript and cookies enabled (most browsers will have this)

Any problems ?

Please contact us on **0845 408 4625**.

My Orders – Click to see a list of your previous online orders and track their status.

Find it – Search our catalogue for the items you’re looking for.
Check it – Enter an item code to check stock and pricing.

TIP: Start typing in the **Check it** field to bring up an auto-complete list of matches !

TIP: You can always go to the home page by clicking here

Our catalogue – browse by category. You can order items straight from the catalogue pages.

TIP: The red spot by the order bag shows how many items are saved in your order.

Order Form – click here to go to our quick and easy order entry screen.

Meet your team – click to see who’s managing your account.
Deal of the Week – click for our weekly special offers

Type an item code and quantity here **or** select the item from the dropdown list as you type.

When you move your cursor out of the item or qty field, the system will instantly check stock and prices.

Click on this icon to delete a single line.
